Voted Best Dental Practice (Again!)

Thanks to our wonderful patients and readers of the Sun Sentinel Delray Forum, we have been honored with the distinction of “Best Dentist in Delray Beach” for a third year in a row! WOW! What an honor! Our staff and doctors truly thank all of you for making this happen.

We strive to be a place where genuine care and comfort of our patients is our highest mission. We are committed to the health of each one of our patients and to providing excellence in patient care and service.

We are truly blessed to have wonderful, caring patients that go out of their way to help us achieve this high distinction.

As always, we strive to provide the finest dental services and facilities for our patients so that you will enjoy a warm, inviting, relaxed yet refined ambiance.

Thank you from the bottom of our hearts for all your support!

- The Advanced Dentistry Team

“The staff have always been very pleasant and cooperative. I appreciate my highly experienced dental hygienist and cannot say enough to express my gratitude!”

- Carole S.
Welcome, Dr. Renee Litvak!

Dr. Renee Litvak was raised in New York City, where she practiced Endodontics for over ten years before relocating to South Florida. She is a graduate of Columbia University’s College of Dental Medicine where she earned her Doctorate in Dental Surgery and Postdoctorate Certificate in Endodontics. Prior to her dental training, Dr. Litvak earned a Bachelor of Arts from the University of Pennsylvania.

From 2004-2008, Dr. Litvak served as an Assistant Clinical Professor within the Division of Endodontics at Columbia University. She is a Board Member of the Dean’s Advisory Committee for Columbia University’s College of Dental Medicine where she has served as the President of the Alumni Association as well as the President of the Young 1852 Society. Dr. Litvak is also a Board Member of the Volunteer Development Committee for Columbia University, as well as a Board Member of the Columbia University Alumni Association.

She is an elected member of the American College of Dentistry, a Board Eligible candidate for the American Board of Endodontics, a member of the American Association of Endodontics, the Florida Dental Association and the American Dental Association. Dr. Litvak and her husband and two children are excited to be residents of Florida and now part of the Advanced Dentistry South Florida family.

Our Doctors

Dr. Richard Staller is a general & cosmetic dentist from a suburb of Philadelphia, PA. He is a graduate of Villanova University and Temple University School of Dentistry where he graduated with honors. As many of you know, he is currently the official team dentist for FAU Athletics and has made a positive impact on many of the athlete’s lives throughout the years.

Dr. Axel McGuffie is a general & cosmetic dentist from Long Island, NY. Dr. McGuffie has won many awards and holds distinguished recognition for his work in the field of dentistry. He lived in Marco Island where he managed his dental practice for more than 16 years until relocating to Delray Beach to be a part of the Advanced Dentistry South Florida team in the summer of 2014.

Dr. Robert Demick is an oral surgeon from Dayton, Ohio. He was awarded his Bachelor of Arts degree at Westminster College, Fulton, Missouri. He obtained his degree of Doctor of Dental Surgery from Indiana University School of Dentistry, and his postgraduate Certificate of Oral Surgery from Case Western Reserve University.

Dr. Howard Pasekoff is an Endodontist with over 40 years of experience. He is a graduate of the University of Pittsburgh School of Dental Medicine and completed his post-graduate study in Endodontics at the University of Maryland. He is the Endodontic consultant for Delray Medical Center. Dr. Pasekoff loves to travel and use his hands to build.

Dr. Henry Lennon is an oral surgeon from Sydney, Australia. He relocated to the US in 1976 and attended New York University Medical Center and Mount Sinai Hospital where he completed his residency. Dr. Lennon has been in private practice in Boca Raton for over 25 years and has lectured extensively all over the world. He joined the ADSF team in the winter of 2014.
Each year, Advanced Dentistry South Florida gives back to the community in many ways. This year, we have volunteered for charities that raise awareness for cancer and Alzheimer’s, including the P4 Foundation and the Walk to End Alzheimer’s. ADSF also participated and donated to the Walk to End Alzheimer’s in Boca Raton and West Palm Beach on two separate occasions. We are proud to be a part of this wonderful opportunity to raise awareness and funds.

Lastly, we had a successful Caring Heart Day once again. Our team of dental professionals closed the office for a day in order to provide adults with

The P4 Foundation

As you can imagine, being told that you have cancer can be very scary. But for one 16 year old, it was an inspiration to help others. Gino Vizzi was diagnosed with a very rare form of Leukemia called Chronic Myelogenous Leukemia, or “CML” at the age of 16. This form of Leukemia is not only rare to be diagnosed in a child under the age of 17, but it is also very scary when you find out it’s incurable.

When Gino was told the news, something amazing happened. He didn’t cry out “why me”, or display a fit of rage or even severe depression. He saw it as a chance to do something for others that are in the same situation he’s in. When he found out that only 4% of funds go towards childhood cancer, he said “that’s not enough”, and he did something about it.

The first day Gino was diagnosed with this rare form of cancer, he told his parents that “God gave me this for a reason—and that’s to help other children and families dealing with cancer by getting people to start praying and have faith in the power and purpose of God. And that is what I will do.”

Gino started the P4 Foundation to provide support, hope and faith-filled encouragement, as well as financial support for childhood cancer treatment and cures. To find out more about how you can help the families and loved ones who are among the 4%, please visit p4foundation.org. It doesn’t matter if it’s $25 or $25,000—your donation is going to help someone in need.
**We Are Accepting New Patients!**

We appreciate our patients and the referrals that each one of you have given to us over the years. It is such a great feeling to know that we are doing what we set out to do, which is to help make the community healthier.

When we treat our patients the way they want to be treated, others will want to be a part of it as well. So spread the news about Advanced Dentistry South Florida and let your friends and family know how easy it is to get all phases of state-of-the-art, professional dental care in a relaxing environment at one location.

We look forward to another great year! See you for your next appointment!

Sincerely,

The Staff and Doctors at Advanced Dentistry South Florida
